## Family Safe Driving Agreement

### Simple Steps We Can Take For Safer Driving

#### YES! I WILL

- ☐ Drive without reading or sending texts, snapchatting, using the internet, Facebook or social media of any kind.
- ☐ Call/text before I start driving to let parents, friends and others know when I'll arrive.
- ☐ Program autoreplies to texts and calls so others know you are not responding because you are driving.
- ☐ Wait to text or call others until they have stopped driving.
- ☐ Pull over to a safe location to check texts, social media, or listen to voice mail.
- ☐ Deputize my passenger when I am driving to text or make calls for me.
- ☐ When alone, turn my cell phone off before starting to drive.
- ☐ Stop texting, or end phone conversations with others once I learn they are driving.
- ☐ Pull over to a safe location or wait until I am finished driving to eat or apply make-up.
- ☐ Pull over to a safe location or wait until I am finished driving to adjust music, scroll through I-Pods, I-Phones or similar devices.
- ☐ When being driven by a distracted driver ask the driver to drive safer.
- ☐ As a passenger, share the responsibility for arriving safely with my driver and offer help so my driver does not drive distracted.

**I/we will** take these steps to protect myself, my friends and family and others from preventable crashes.
