

"We deliver outstanding customer service by exceeding the expectations of our customers"

*300 Lucius Gordon Drive
West Henrietta, NY 14586*

June 28, 2018

Joel,

Please allow us to thank you for taking the time to come and speak with the Atlantic City Electric, Lewis Tree Service, Davey Resources Employees and everyone associated with us at our yearly Total Safety Culture (TSC) meeting on May 30, 2018.

We cannot express enough how much we appreciate you taking the time out of what must be a very busy schedule to share with us your presentation highlighting the detrimental effects of driving while distracted. Your dedication through advocacy and education in the attempt to save lives kept the attention of all and was very enlightening. Keeping the memory of your beautiful and talented daughter alive is so honorable.

The safety of all our employees, customers, their employees and the public is a critical core value. We work continually to eliminate risk and improve safety practices, striving to achieve zero-incident safety results each day. Showing us how in just a split second the life of another and their lives can be changed forever will have a lasting impact.

Again, let us thank you for all you do each and every day to remind us to always drive without distractions of any kind to maintain safety behind the wheel.

Our sincere thanks.....

*Best Regards,
W. Scott Zerr
Lewis Tree Service LLC.*
