Mr. Feldman,

On behalf of our school district, I would like to express our sincere gratitude for the impactful and powerful presentation you delivered. Your straightforward and thought-provoking details, stories, and examples have prompted everyone in attendance to reflect on their potentially harmful driving habits. It is evident that your message has resonated with our students and staff, as evidenced by the wearing of compliment bracelets and the signing of the poster.

We are particularly appreciative of your sponsor (EQT), whose generous support greatly contributed to bringing you to our school. Thanks to your presentation, I am confident that our school community will now approach distracted driving with greater awareness and caution. Thank you once again for your valuable contribution to our students' safety and well-being.

Sincerely,

P. Mackin
